

PLANNING IMPROVEMENT. . . . These four individuals conducted the economic improvement meeting at the Audio Visual Room at Hondo High School Tuesday night. Talking improvement are, from left to right are Mrs. Nancy [Jim] Fridle, secretary; H. C. Nietenhoefer, president; Jerry Heare, Texas Industrial Commission of Austin; and Ray Smith, Small Business Administration of San Antonio. Only 18 persons turned out to hear these two men discuss the why's of attracting industry and the way to go about it. [Photo by Joe Fohn.]

BY THE WAY OF

Sam Kinch Jr. in the Dallas Morning News comes the observation that our State Representative John Poerner has proposed a definite plan by which the Constitutional Convention can accomplish its work this coming year.

Since he's a big time writer and I'm only a country editor, let's say it in his words; they may sound more sophisticated. He writes:

"That's why the most creative and positive idea [concerning the Constitutional Convention] I have heard is the subject of this column.

"It comes from Rep. John Poerner of Hondo, who has been both a Democrat and a Republican, who is clearly rural conservative and who is extremely close to Gov. Dolph Briscoe. If all of these credentials aren't enough, Poerner also may be totally disinterested in the mechanics of constitution submission because he may be running for Congress anyway.

"Poerner's idea is for the convention to hit the ground running Jan. 8, take the revision commission's proposal as the basic working document and make whatever minor changes are needed to get delegate approval. He wants to wind up the convention in, say, two months.

"Then, Poerner says, the convention should submit the document to the voters on an article-by-article basis. That is, the voters would have the whole, single-document constitution in front of them but they would vote separately on each of the 10 or so articles.

"The Poerner proposal, however, calls for that election to be held at the same time as the May 4 primaries -- figuring that voter interest will be high then.

"If the voters turned down one or more articles of the new constitution, Poerner would have the constitutional convention come back into a quickie session to make whatever changes are needed to make those articles acceptable. But the rest of the constitution would go into effect immediately. And the "alternative" articles could be submitted at a later election, either the Nov. 5 general election or a special election held sooner than that.

"This approach has a number of advantages over all others I have heard advanced. It avoids the mass confusion that simultaneous submission of multiple-choice articles would create. It would give the voters plenty of time to understand the new constitution, yet wouldn't bore them to death with a long drawn-out campaign. It would let the legislators, who will be delegates to the convention have plenty of time. It would let the legislators, who will be delegates to the convention have plenty of time. It would not permit as much convention demagoguery as otherwise might occur. And it would save time and money for everybody."

SPECULATION

by many of the dailies in Texas has Rep. John Poerner running for the Congress of the United States. They say he will seek the post now held by Congressman O. C. Fisher when Fisher steps down. And that's where the speculation must come in, for Congressman Fisher has not made a public announcement that he does not intend to seek re-election. Everyone knows that he recently underwent heart surgery and his health is not the best in the world, so they figure he won't seek office again. But he has not said it yet.

If he does step down, I know of no one I personally had rather see in that office than John Poerner. And should he wish to run, then I hope that all the speculation becomes reality.

Blood drive for Hondo to be discussed Monday

Details for conducting a blood drive in Hondo will be outlined at a meeting set for 7:30 p.m. Monday, November 12 in the Audio Visual Room at Hondo High School.

Civic organizations, including two sororities and the Junior Service League, the Lions Club and other interested persons will hear Sandra C. Nylander, director of public relations for Blood Services of San Antonio.

Tentative dates for a blood drive in Hondo, at which it is hoped that some 250 pints of blood will be given, are December 17 and 18, a Monday and Tuesday.

In a letter to the Hondo Chamber of Commerce Miss Rylander pointed out:

"There exists in our community a most severe shortage of the most precious fluid of all, blood. There is

no way it can be manufactured or reproduced. Our only source of this gift of life is you, the people of Hondo.

"Blood Services is your Community Blood Bank, which serves the needs of 52 hospitals in San Antonio and surrounding areas, and was invited into the community by the Bexar County Medical Society 21 years ago. A medically sponsored, not for profit corporation, we depend on the community which we serve to support us.

"The community is failing to meet the obligation which is theirs, which is to assure that blood is immediately available to all who may need it. Our blood banks

Band students to converge on Barry Field Saturday

For the second consecutive year, Hondo will host the Region XI, U.I.L. Marching Contest to be held at Barry Field on Saturday, November 10th.

Bands from twenty different schools will be participating in the day-long event.

The following schools will compete: Nueces Canyon, Rock-springs and Charlotte in Class B; Blanco Sabinal, Natalia, Brackett-

ville, Comfort and Bandera in Class A; Hondo, Devine, Pearsall, Medina Valley, Carrizo Springs, Boerne, and Cotulla in Class AA; and Uvalde, Crystal City, Fredericksburg, and Kerrville-Tivy in Class AAA.

The Hondo Band will be trying for their fourth consecutive first division in marching which would also be the first step toward a fourth consecutive Sweepstakes Award. Hondo will march at 1 p.m.

Bands do not compete against each other but are judged on a standard of from One (Superior) to Five (Poor).

The judges for the Contest will be: Fred Junkin from Victoria High School, Moddie Smith from Karnes City High School and Ray Bostic from United High School in Laredo.

The public is invited to attend the Contest and there is no admission charge. Approximately 160 students will be participating in the contest.

The Region XI, Twirling Contest will also be held in the Gym and will be judged by Bettye Arsers from San Antonio and Linda Fennell from Seguin.

Bruce Foster heads CofC

Bruce Foster, a Hondo area rancher, has been elected president to head the Hondo Chamber of Commerce during 1974.

Foster, who has served on the Chamber board for two years, was chosen at the Monday Board of Directors meeting.

Larry Oefinger, Medina Electric Cooperative employee, will assist Foster in the chores as vice

president. School Supt. Kenneth Flory is treasurer.

At the final meeting of the year before the annual banquet, scheduled this year for Monday, December 3, in the McDowell School cafeteria, four new directors were also welcomed. They were chosen by votes from the general membership.

New directors include Mrs. Gaye Bippert, Larry Oefinger, Jim Fridle and David McGraw.

President Burnis Lawrence also appointed J. D. Schmidt to fill the unexpired term of Henry Martin Finger whose business schedule prevents him from attending meetings.

Outgoing directors are Lawrence, C. E. Hackbeil, H. C. Nietenhoefer and Jess Ledbetter, whose spot has been filled by Larry Oefinger since Ledbetter resigned about a year ago due to transfer.

Kickoff breakfast November 16

Plans for a big Membership Kickoff Breakfast were discussed at the Monday meeting of the

Chamber of Commerce directors. Date for the one day drive is Friday, November 16. All team

members will meet for a 7 a.m. breakfast (dutch-treat) and then take off to mop up the 1974 membership drive.

"Last year we had a very successful day," Burnis Lawrence, president, said "This year memberships have been coming in very good and we feel we will be able to concentrate on prospective members."

Mrs. Lillian Porter, executive secretary for the Chamber, said that by Tuesday afternoon some 83 members had returned their cards for 1974. "We also have one donation," she reported.

"Our roster for the year 1973 was greater than it has ever been," Lawrence said. "We have carried a solid 225 members throughout the year. So when we finish up our current drive, we know we will top that total."

Members are urged to mail their membership cards back prior to the breakfast. "That way we will devote a majority of our time to those who have not been members and see if we can get them into the fold."

X-Ray unit due here

The Mobile X-Ray Unit of the American Lung Association-Alamo Area (formerly Alamo Area Tuberculosis and Respiratory Association) will be in Hondo for one day, November 15.

A. K. Flory, Superintendent of Hondo I.S.D., made arrangements for the Unit to be stationed at the

City Hall in Hondo, on Thursday, November 15. The hours for getting x-rayed will be from 11 a.m. to 1 p.m. and 2 to 6 p.m. A local committee will assist with registration at the Unit.

All persons 15 years of age or older are urged to avail themselves of this service.

Contributions of \$1.00 per x-ray are encouraged to help defray the ever-increasing cost of operating this community health service. The Unit is also financed through contributions to the annual Christmas Seal Appeal. No funds to this voluntary health association are received from any local, state or federal agency.

Dr. W. S. Duty, Hondo, and Mrs. Estella Strayhorn, Castroville, serve as members of the Board of Directors of ALA-AA representing Medina County.

New plan on Christmas decorations

Hondo can have a Christmas decoration contest and still help out with the energy crisis.

That was the opinion of the Hondo Chamber of Commerce directors Monday when they voted to again sponsor a business, residential and children's Christmas decoration contest this year.

Decorations will be created so that they can be judged during the day without any lighting.

"This contest has become a tradition in Hondo, with the Chamber sponsoring it and the ladies of the Hondo Garden Club cooperating in the venture by judging the entries," said Lawrence.

"Only this year we have the problem of an energy crisis causing us to save as much electricity as we possibly can. So we voted to conduct the contest in this manner. Other cities are doing it this way, so we feel we in Hondo should help with the energy problem," Lawrence said.

Deadline for entries to be turned in at the Chamber of Commerce office, either by dropping in or calling 426-2015, will be December 19. Judging will be accomplished on December 21.

Wildlife photographer to speak

Jim Whitcomb, Photo Editor of the Texas Parks and Wildlife Magazine, will be main speaker at the meeting next Monday night of the Hondo Art League. The meeting will begin at 7:30 p.m. Monday, November 12, in the Auditorium of the Hondo Municipal Building.

Whitcomb studied his trade at the International School of Photography in Bangkok, Thailand. He has been involved in photography for seventeen years, and taught photo-journalism at Trinity University.

His wildlife photographs appear regularly in the well-known magazine, which is published as an operation of the Texas Parks and Wildlife Department.

Whitcomb will show slides and talk about photographing wildlife. Copies of any picture that he shows will be available on order.

The public is invited to the meeting.

WHAT A MEAL . . . for the Wild Game Dinner. This 70-inch rattlesnake will go on the cooker for the Chamber of Commerce Wild Game Dinner set for November 24. Bob Burden shot the huge snake on his ranch near Yancey. The rattler had 20 rattles with which to do an awful lot of shaking. [Photo By Joe Fohn]

Last call on bus

Deadline for signing up for the Corn Shucking bus to Houston will be November 14, according to the Hondo Chamber of Commerce.

"We have to have money for the bus (\$10 per person) and the Oilers-Raiders football game (\$7.00 per person) by that date," said Burnis Lawrence. "We must mail checks on these two items. We do have rooms reserved at the Red Carpet Inn, but those will be paid by individuals after they arrive in Houston."

Those persons who have signed up for the trip are urged to get their checks in before or by that date. "There is still room on the bus," Lawrence said. "We have a 47 passenger bus, and as of Tuesday had 36 people signed up. So there is room for more fun-loving people."

CofC sign

That long awaited sign planned by the Hondo Chamber of Commerce should be up for everyone to see within the next week.

Such was the word given by directors Chuck Hackbeil and Franklin Wiemers at the Monday CofC meeting.

The giant sign, some eight feet tall and 16 feet long, will be installed on the John Poerner property east of Hondo. It was built by S. H. (Posse) Parsons and painted by Mrs. Betty Haile.

What does it say? Well, it's message is a gently reminder to those persons who head for San Antonio almost daily to do their shopping. It simply asks: "Have you tried to buy it in Hondo?"

NEW QUEEN . . . Judy Coyle, daughter of Mr. and Mrs. John Coyle, reigns as Homecoming Queen. Judy was named to this throne Friday night at halftime of the Hondo-Carrizo Springs football game. She received the crown from Shauna White who was named Queen at the last Homecoming.

John Windrow was general chairman of the big event and Mrs. Ruth [Albert] Rowlett was vice chairman. Exes enjoyed the football game, class reunions, a big dance, a good barbecue and many other activities. [Photo By Jimmy Overstreet].

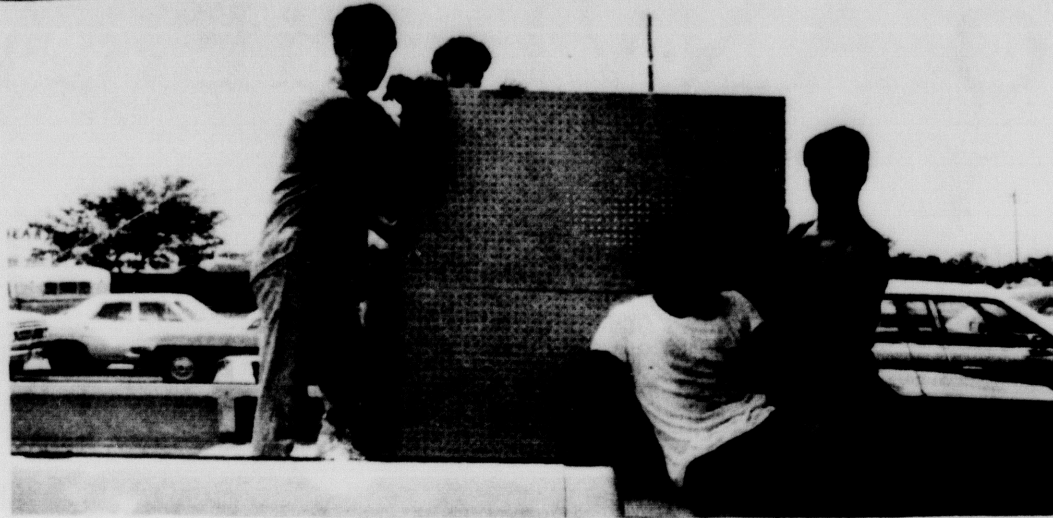

Escamilla gets medal in Air Force

ABILENE, TEX.—Staff Sergeant Luis Escamilla, son of Mr. and Mrs. Francisco Escamilla, 1501 16th St., Hondo, has received the U.S. Air Force Commendation Medal at Dyess, AFB, Texas.

Sergeant Escamilla, an aircraft engine mechanic, was decorated for meritorious service at U-Tapao Airfield, Thailand.

He is now at Dyess with a unit of the Strategic Air Command.

The sergeant is a 1962 graduate of Hondo High School.

FRIDAY NIGHT HEROES . . . doing Saturday work. These four Hondo Owl football players might have been a little sore Saturday morning, but no one could tell it as they helped with the moving of the Anvil Herald office supply division to its new location at the corner of 18th Street and Avenue K. The Chamber has received a generous donation to the Wild Game Dinner from the Garrison Ranch. We thank you F. D. Garrison, M. R. Garrison and J. E. Jordan.

Letters, letters, letters:
"Dear Sirs:

"We are planning to move to the Hondo, Texas, area and would like some information regarding it. We would also like to have the names and addresses of some reliable real estate agencies in your town. Please send the above information to: Jim L. Roman, 10151 S.

"Sir:
"If possible I would like to obtain a list of ranches in your area who lease to deer hunters. If such a list is not available, any other information you may have will be appreciated. Thank you. Russell F. LaGrange, Beaumont."

See Texas First: William Patterson, co-chairman of the National Tourism Resources Review Commission, says that the tourist industry is now running at the fantastic rate of \$60 billion a year. Tourism is second only to the food industry which is now running at \$80 billion.

Phone lines keep humming: From-Mission Electric Supply of San Antonio about deer lease; Pharr, Tex., asking about Flight Screening Program; L. J. McCall of San Antonio about deer leasing; Mr. Presnell of Austin about rentals; Mrs. Marvin Belch of Castroville about deer leasing; To-L. J. McCall; Texas Employment Commission checking updated Hondo Labor area information; Judson Candy Company for Christmas candy order.

Look where the letters went: Kenneth Harvey of Orange, Fabian Gonzales of Hondo, William Tucker of Lubbock, Milton L. Campbell of Baytown, Mrs. David A. Sadler of Combes, Lafayette Chamber of Commerce, Lafayette, Louisiana, Chamber of Commerce, Marion, Indiana, Chamber of Commerce, Crown Point, Indiana, Frank Hildebrand of the Texas Tourist Development Agency in Austin, W. O. Henderson of Waelder, Ronald G. Presnell of Austin, C.B. Wood of Paris; also eight local, 14 to directors and 240 letters inviting citizens to Industrial meeting.

Those in-between-things: Hunting leases 2, requests 6, referrals 17, other hunting calls 4; Housing 3, requests 3, referrals 16, other 5; Brochures, cards and maps 11; Ex-Student Association 15; Wild Game Dinner calls 12; Houston trip information 11; 1974 signed memberships processed 53; other requests 24.

Office Equipment and Supplies to the corner building where Donald and Phyllis Muennink had their flower shop.

Everybody got in on the act, and they had to do so or it would have never been accomplished.

But it was, and now if you're looking for office supplies [formerly in the Anvil Herald building] or office equipment sales or repair [formerly in the corner building next to Economy Motors] then you can find them all at 1102 18th Street.

And watch for out open house—once we get settled we're going to have a big one!

WE HATE TO

. . . but we've got to increase the cost of the Anvil Herald to our readers. It's long overdue when you take into consideration the way our costs have skyrocketed.

So effective January 1, 1974, we will charge the following for our newspaper: 1 year anywhere in the state of Texas, \$6.50 per year [plus 33 cents tax]; \$8.00 per year outside the state of Texas [no tax]; \$14 for a three year subscription in the state [no tax]; and 14 cents per copy on per copy sales [plus 1 cent tax].

ITS A SHAME

. . . how little interest most of the people in Hondo, including the majority of the people who own businesses, care about trying to bring about an orderly growth of the town.

This was evident Tuesday night when only 18 people showed up to hear a discussion on economic and industrial improvement. And one wouldn't have to use all the fingers on one hand to count the business people there.

The business people—those persons who are in the position to benefit directly when a local industry expands or new industry creates a new payroll.

And there can't be any doubt about the meeting receiving adequate publicity. It was written up in the Anvil Herald, broadcast over KRME and each member of the Chamber of Commerce [225] received a letter telling them of the meeting and urging them to attend.

I am proud to say that the organization officials told me this morning they intend to keep working, so perhaps those people who should be at the forefront with their interest will become active. We certainly hope so.

Spurs play at home

SAN ANTONIO—Home, sweet home! That will be the theme for the San Antonio Spurs as they embark on a nine-game homestand in the month of November.

The American Basketball Association's entry based in the Alamo City will play a total of 12 games in November, including nine big home games and seven in a row on its home floor. All home games tip-off at 7:30 p.m. in the spacious 10,000-seat HemisFair Arena.

To add to the excitement of San Antonio's first major league franchise, fans will also be able to take advantage of two Sunday "Family Nights" on Nov. 11 against New York and Nov. 18 against Utah.

On "Family Night" with one adult paying the full admission price, the rest of the family is admitted at half-price in the \$4 and \$2 sections.

"This is a great opportunity to bring your own 'basketball team' and enjoy exciting professional basketball," said Spurs sales manager John Begzos.

Making appearances during the month will the Denver Rockets (Nov. 10), San Diego Conquistadors (Nov. 17), New York Nets (Nov. 11), Indiana Pacers (Nov. 14), Utah Stars (Nov. 18), Memphis Tams (Nov. 24), and Kentucky Colonels (Nov. 28).

YOU CANNOT EVALUATE A
MEDICINE BY ITS LOOKS

This is why so many doctors still prefer to prescribe products made by manufacturers whose reputation they are closely familiar with rather than those made by a company that has copied a formula after it has proven successful.

Like copies of anything, from medicines to famous art, some reproductions are very faithful to the original. But also like art, with medicines you often can't tell which is which just by looking. Your doctor insures you getting what he wants you to have by exactly specifying a product in which he has confidence.

Mr. and Mrs. Odie Glynn Rainey

Steubing - Rainey vows exchanged

Miss Sandra Lynn Steubing, daughter of Mr. and Mrs. Claude Steubing of Dunlay became the bride of Mr. and Mrs. James Rainey of Castroville August 17.

The double-ring ceremony was held at Zion Lutheran Church, Castroville with Rev. Roy C. Timaeus officiating.

Matron of Honor was Mrs. Floyd Steubing.

Bridesmaids were Mrs. Sidney Steubing, Miss Edith Bippert and Miss Rebecca Rainey.

Serving as Best Man was Richard Rainey. Groomsmen were Sidney Steubing, Stephen Reus, and Floyd Steubing.

Ushers were Mike Bende and Morris Salzman. A reception was held at the Quibi Gun Club where Mrs. Richard Rainey presided at the guest book.

I'm Here

Mr. and Mrs. Wayne Balzen announce the birth of a daughter on October 24, 1973, at the Methodist Hospital in San Antonio. She weighed 10 lbs. and has been given the name Janet Lea.

She is welcomed by her two older sisters, Sheila and Deanne, as well as her grandparents, Mr. and Mrs. Robert Boehme of Rio Medina and Mr. and Mrs. Melvin Balzen of Dunlay.

Castro Garden Club

The public is invited to attend two events sponsored by the Castro Garden Club.

The first will be a talk on Christmas decorations by Clifford L. Wallace of Joske's. Mr. Wallace is an authority on Colonial Spanish religious art. The program will be given in the auditorium of Moyer Formation Center.

trance on Highway 90. Thursday, Nov. 8 at 8 p.m.

The second event is the Placement Flower Show in the home of Mr. and Mrs. E. W. Speed (the Ihnken House) on Saturday Nov. 10 from 2:30 to 5:30 p.m. There will be many beautiful flower arrangements and also an exhibit of plants, flowers and fruits from the area.

Hondo Garden Club

Mrs. William F. Wallace, of Corpus Christi, member of the American Rose Society, will be the guest speaker at the Hondo Garden Club meeting Friday, Nov. 9, 1973, at 2:00 p.m. at the

Municipal Building. The topic of her program is "Aiding Natural Beauty Through The Proper Cultivation of Roses."

Others participating on the program are Mrs. T. D. Platt and Mrs. E. S.

Fry.

District Garden Club Meeting in Kerrville. District VII of the Texas Garden Clubs, Inc., which includes Hondo Garden Club, will hold its fall meeting at Kerrville Nov. 8. Attending from Hondo will be Mrs. Bruno Schweers, State Officer; Mrs. H. B. Haegelin, District Chairman; Mrs. George Cole, District Chairman; members are Mrs. Ray Jennings, Mrs. V. H. A photographer I never have been but my memory camera records pictures without the bother of gadgets that I never have been able to master.

New Additions to my collection include several views of Canadian geese flying in to winter headquarters, silhouetted against a moonlit blue sky, in perfect formations, playing Follow the Leader and honking excitedly as they chose a favorite landing place.

Geese, I have been told, fly higher when the weather promises to be fine. Those I have seen were "flying high" but still within easy visibility.

When a Virginia high school offered "Home Economics for Boys", the course held no appeal for the boys. When it appeared on this year's curriculum titled "Bachelor Living", 120 single-minded men of the future signed on the dotted line and are now learning to cook, sew, do laundry, pressing, mending and how to manage money.

No drop-outs had been reported.

GEORGIA RUTH LANDERS makes a pretty addition to SWTU's precision dance and drill team. Brother KYLE must be very proud of her and might even be entitled to brag, between friends, "Bet my sister can kick higher than your sister!"

UFO's have been creating a lot of attention. A letter from my friend, HILDEGARD [Mrs. Ray] REXROAD reported that she had "gotten into the act" on television, no less! It was all in fun, of course, and while many Hondoans saw the show, Hildegard missed it when her TV chose that evening to break down.

UFO's might have been what "Mother" Shipton [1488-1561], England's Jean Dixon of that day, foretold in one of her prophecies: "Under water men shall walk/ Shall ride, shall sleep and talk/ In the air men shall be seen/ In white, in black, and in green."

UFO's in color!

Of even more interest was Hildegard's report of some translations she has been doing for Mrs. DOROTHY BENDELE who has letters from her German relatives, written in the old German script. What a treasure-trove!

The oldest letter is dated 1836. Hildegard says "These are history in the making, first class, and how I am enjoying them!"

And how I wish I might share the translations! I feel a story "coming on."

Members of Hondo's 4-H Citizenship Group represent good American citizens in the making. Certainly they are going about the challenge in the right way.

And, by the time they become 18, perhaps they will help see to it that we have less hanky-panky in government.

"The State of Texas began officially celebrating Thanksgiving Day in 1849, 14 years before President Lincoln proclaimed it as an official observation of the United States."

I found the above in a Texas newspaper and realized it was news to me. But, where have I been all these years? The Texas Almanac [1972-73] tells all about it on page 388. [So, probably, did my Texas history.]

Texas Gov. George T. Wood proclaimed the first Thursday in December, 1849, as a day of thanksgiving. The proclamation is in the archives of the Texas State Library, Austin. Live and Learn, now I tell me.

Medina County Stock Show pigs would not be prospective candidates for membership in Weight-Watchers.

A required gain of 145 pounds [from 55 to 200] in 103 days and hang the calories! From porcine bliss to bacon and pork chops.

October, says the local weather service, was the second-wettest tenth month in local recorded weather history. The year's sum total for that period is now 18.56 inches above average --and two more months to go.

And, are the mosquitos ever glad!

Did you remember to vote last Tuesday? The League of Women Voters of Texas did a good job, locally, of distributing Nonpartisan Voters Guides, with the nine proposed amendments given in full in both English and Spanish.

Voting Check List" appeared as "CHEQUIE Lista De Votos". Maybe something new was added in the translation? In the imperative, perhaps? ¡Sea por Dios!

Card Of Thanks

I would like to take this opportunity to thank all my friends and relatives for the cards and many kindnesses extend to me while I was in the hospital.

I would also like to express my thanks and appreciation the the nurses

Weisinger-Eshleman recently wed

Miss Donna Faye Weisinger and Lieutenant Michael Robert Eshleman, United States Air Force, were married Saturday, October 6, 1973, at 2 p.m. in the United Methodist Church in Devine.

The bride is the daughter of Mr. and Mrs. Thomas E. Weisinger of Devine. The bridegroom's parents are Mr. and Mrs. Robert I. Eshleman of Laurel, Maryland.

Vows were exchanged before an altar flanked with white candelabra holding white candles with nosegays of pink daisy mums and baby's breath with white satin streamers.

Rev. Billy J. Hammond officiated at the double-ring ceremony. Organist was Maynard Heins, who accompanied his wife as she sang "The Twelfth of Never" and "Because."

The bride, given in marriage by her father, wore a formal gown of candlelight nylon organza over taffeta with empire waistline and full gathered skirt, featuring a mandarin collar, bodice of tucked organza and venise lace creating a bib effect. The lantern sleeves were accented with Venise lace. Her veil was a cathedral-length mantilla of candlelight nylon illusion edged with Venise lace. For something old, she wore diamond earscrews which were a gift from her late grandmother and carried a handkerchief which her late grandmother had presented to her grandfather as a wedding gift eighty years ago. For something new she wore a gold bracelet, a gift from the bridegroom's parents. She carried a nosegay of pink daisy mums and baby's breath centered with an orchid corsage. She presented her mother a longstem red rose as she entered and presented the bridegroom's mother one as they were leaving the altar.

Miss Susan Stansell was maid of honor. Bridesmaids were Mrs. Brian Long, Miss Margaret R. Eshleman, sister of the groom, and Mrs. Dennis McGillicuddy of San Antonio. Miss Lisa Wade was flower girl.

The attendants wore floor-length gowns of acrylic screen print in tones of pink, blue and brown on candlelight. They wore brown picture hats with brown velvet ribbons and carried nosegays of pink daisy mums, baby's breath, and brown leaves. The flower girl wore a dress identical to the bridesmaids and carried a basket of rose petals.

Best man was Lieutenant Terrence K. Murphy of Lackland AFB. Groomsmen were Lieutenants David W. Mace, Timothy J. Adamski, and Michael L. Knaff, all of Lackland AFB. Head usher was Tommy Weisinger, brother of the bride, of Houston, Texas.

Serving in the house party were: Miss Jean Moss, Mrs. Jim Moseley, Mrs. Ron Williams, Mrs. Terry Canipe and Miss Katie Wade.

After a wedding trip to Acapulco, the couple will live in San Antonio.

Grandparents of the groom, who attended the wedding, were Mrs. Mildred Jones of Glen Burnie, Maryland, and Mr. and Mrs. E. Milton Eshleman of Palm Springs, Florida. Other out of town guests included Mr. and

Mrs. Bud Guinn, Hondo, and Mrs. John Maney of Natalia.

Rehearsal Dinner

Mr. and Mrs. Robert I. Eshleman of Laurel, Maryland, parents of Lt. Michael R. Eshleman, hosted the rehearsal dinner for the Donna Weisinger-Michael R. Eshleman wedding at the Officers' Club, Lackland AFB on Friday, October 5, 1973.

Bazaar to benefit library

Items featured at a special Holiday Bazaar and Bake Sale planned Saturday, November 17, by the Hondo Junior Service League could turn into a lot of reading.

That's because the proceeds from the event will go to the Hondo Public Library.

Time to buy will be from 10 a.m. until 4 p.m. in the City Municipal Building.

Items which one can browse through and buy include: Christmas items, crochet items, quilts, kitchen step ladders, decoupage milk stools, antique dolls, purses, pictures and others.

THE INDIVIDUAL TOUCH

When it comes to personal appearance naturally there are no two women exactly alike. Each one demands a distinctive combination of cosmetics to put them at their very best. The correct lipstick, the right make-up, the proper foundation, appealing eye make-up, effective treatments, creams and many others must all compliment one another to bring about the desired result.

The coordination of the basis beauty cosmetics requires two essential ingredients -- a complete stock of available products to choose from and the expert advice of a trained beauty consultant to help you select them. It is these very features that have established the "Beauty Boutique" in Peden's Rexall Drug as the authority on cosmetics in this area.

For, at Peden's "Beauty Boutique" we cater to the beauty conscious woman who wishes to always be at her very best -- using carefully chosen perfumes, make-up, treatment and other cosmetic products.

IN MEMORY OF OUR MOTHER

Mrs. Florence Young

Many hearts were saddened by the loss of this loved one, whose goodness, unselfishness, kindness, and love touched so many during her lifetime.

*She had a smile to fit her face and wore it every day,
If things went wrong, she would never complain
But tried to see it on a different note
And she always found ways of helping other folks.
She saw the good in everyone,
Their faults she never mentioned;
She had a lot of confidence in peoples' good intentions.
You soon forgot what ailed you when you were around her
As she had a way of making you feel fine.
No matter if the sky was gray
You got her point of view
And the clouds began to scatter
And the sun came shining through.
To know her was to love her,
And you found it was really worth while
To cultivate the friendship
Of the one behind the smile.*

Her family is so grateful for the joy and happiness she brought into their lives.

Owl Band to march at TLC game

The Hondo High School Band will be the featured band at the Texas Lutheran College-Milsap College Football Game on Saturday, November 10th in Seguin.

The Hondo Band was invited last May by Texas Lutheran College Band Director, Roy Norton to perform the halftime show for this game.

The 130 member band directed by Billy A. Harrell and assisted by Dennis Smith had attained an enviable record the past four years. The band has received three U.I.L. Sweepstakes Awards, Outstanding in Marching, Concert and Sight-Reading at the Brady Band Festival and named Class AA Honor Band in Region XI.

THE FIRST ARMY OFFICER to join Sandia for a two-year stint is Maj. Nick Barron (right). Here discussing the new DOD Officer-Sandia MTS Program with Glenn Fowler (1000). Nick will work in the Systems Development Department 1530.

Barron joins Sandia

Major Nicholas Barron, U. S. Army, stationed at Ft. Bliss, has begun a first-of-its-kind assignment for two years at Sandia Laboratories.

Nick is the husband of Linda Pedroza, formerly of Hondo, daughter of Mr. and Mrs. G. E. Pedroza of Hondo.

He and Mrs. Barron have three children, Nick II, Renee and Stephen.

Barron has completed all his course work toward a PhD in nuclear physics at Louisiana University.

The cooperation program is designed to provide selected Department of Defense officers to civilian laboratories such as Sandia.

Law Enforcement Communication System Put to Use

"It works beautifully." "If I had it to do over again, I'd order twelve instead of six." These enthusiastic comments are in response to the new law enforcement communications equipment now being used in Medina County.

The installation of this equipment is part of the regional law enforcement radio communications program which will supply police and sheriffs with specially designed radio equipment. All the counties of the region except Bexar County are participating in the program which is supported by a \$460,000 grant from the Texas Criminal Justice Council. Local cash provides the other \$125,000.

As an example of the way in which Medina County's new portable units are being used, Sheriff Charles Hitzfelder described the rescue operation during the July floods. "We had one unit in an airplane, one in a boat and two

in cars being used for traffic control. I had contact with a unit up at Medina Lake where the water level was kept under surveillance. Without these mobile units, there's no way we could have carried out this kind of operation."

Sheriff Hitzfelder was enthusiastic about the range of the units' operation. "I've talked from my office in Hondo to a unit in Devine. During the flood, we had communication between Castroville and Medina Lake, a distance of approximately 22 miles."

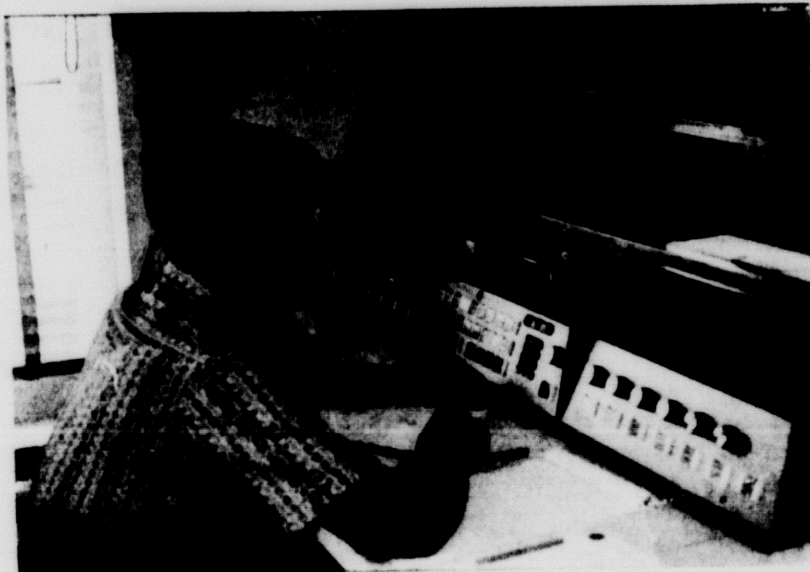

"It's nice to be able to hear without all that static," adds Deputy W.H. Scheel in describing the mobile units that have been installed in most of the Medina County Sheriff cars. By fall all of the patrol cars will be equipped with the units.

Looking to future uses, Sheriff Hitzfelder says, "We'll certainly be able to use the portable units this winter in searching for lost hunters. Any search

is more efficient when we can stay in communication with each other."

When completed, the new high band VHF (very high frequency) communications system will solve transmission problems that now plague law enforcement departments in the region. Each county will be assigned its own frequency which will not be repeated within a radius of 75 miles. The four channel radios will carry the county frequency and inter-city frequency. A third channel will provide a mobile-to-mobile frequency so sheriff and police cars can communicate with each other. The fourth channel will be open for addition of the frequency desired by the individual law enforcement department. An inter-system frequency will eventually allow law officers to communicate between counties.

Target date for completion of the program is the end of September. At that time all counties in the region should have operational equipment.

Medina County law enforcement officials demonstrate the use of new communication equipment.

The Hondo Junior Service League continues to assist Hondo Public Library with its collecting of books, etc. Linda Milan, League member, has brought in a wide selection of books, paperbacks and magazines, consisting of short stories, poetry, etc.

Magazines and a donation were received from Mr. and Mrs. Robert McGarity. Another gift was made by Erna L. Martin.

Patrick N. O'Neill

Pat O'Neill listed in 'Who's Who in Texas'

Patrick N. O'Neill, son of Mrs. Earl O'Neill of

Hondo and the late Mr. O'Neill has been selected to appear in the 1973-74 edition of "Who's Who in Texas".

O'Neill, a resident of Amarillo, will be included in the book, which is a compilation of biographical information on outstanding citizens of Texas.

To be considered for listing, one must have distinguished himself in business, government, or civic awareness within his own community.

O'Neill, a graduate of St. Mary's law school, serves as District Manager and Vice President of Stewart Title Company in Amarillo.

60TH ANNIVERSARY

Mr. and Mrs. Alfred Schlentz will celebrate their 60th anniversary at the St. Paul Lutheran Church Annex Sunday, November 11 from 2:30 to 4:30 p.m.

The children of Mr. and Mrs. Schlentz cordially invite all friends and relatives to attend the reception honoring their parents.

Mr. and Mrs. Schlentz were married by the Rev. August Falkenberg at St. Paul's in 1913. Serving as their attendants were Mr. and Mrs. Christian Nietenhoef, who will also be present at the celebration.

No gifts, please.

Reilys head Empty Stocking donors

The Paul Reilly Family is first again to donate to Hondo Empty Stocking Fund followed by a close second from Mr. and Mrs. Walter Briedenbach.

Funds this year will be used to provide Christmas for the aged only, as announced last year. Reasons for this being that there were too many duplications for children and not enough for our aged.

Hondo Empty Stocking Committee will be glad to have anyone refer any aged person to them. They ask that referrals be

limited to those persons who do not have anyone able to provide Christmas for them.

Members of the Committee are: Miss Helen Richter, Miss Thelma Lynch, Mrs. Lobby Landers, Mrs. Burdette Strunk, and Miss Mary Ruth Cameron, Chairman.

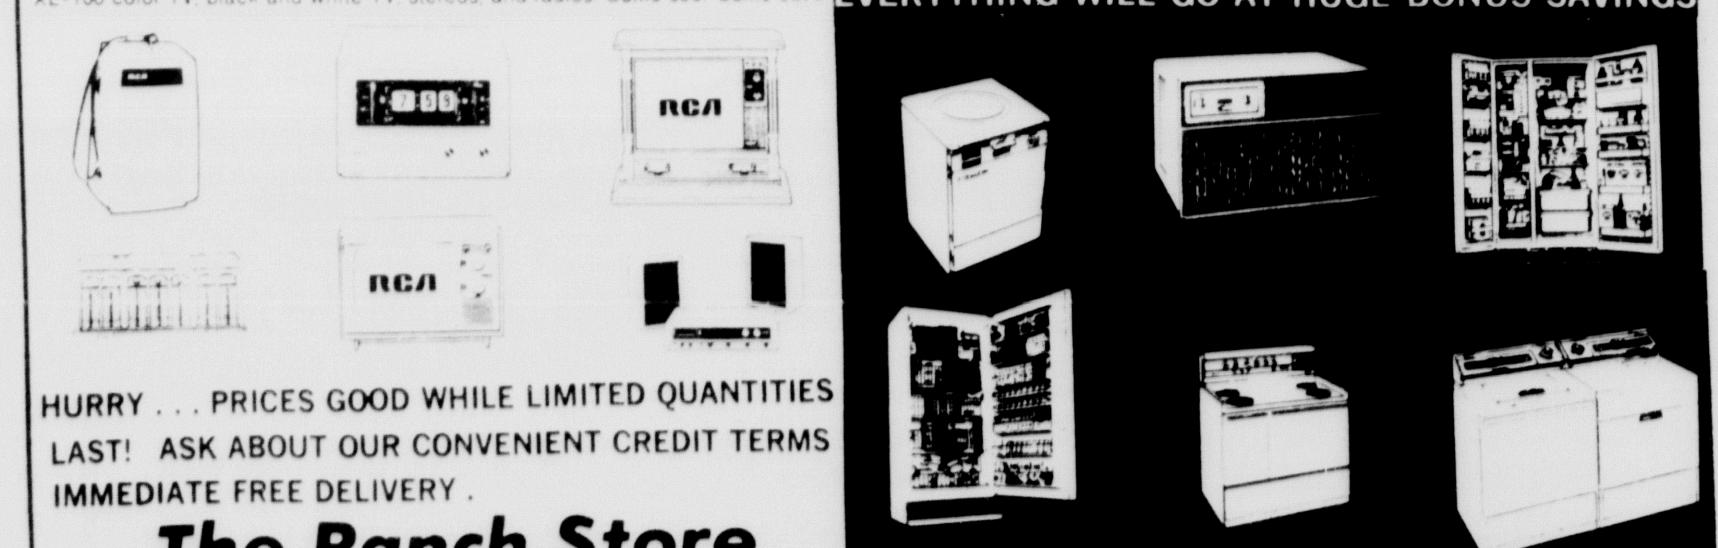

Anyone wishing to make a donation may make checks payable to Hondo Empty Stocking Fund. You may hand them to any committee member or mail to Box 85, Hondo, Texas 78861.

Jose Angel DeLeon services held

Jose Angel DeLeon, 71, died November 2, 1973, at Medina Memorial Hospital.

Born August 8, 1902, in Yancey to Diego DeLeon and Anastacia Rodriguez DeLeon, both of whom preceded him in death, he lived in the Yancey area and worked as a farm laborer. He was retired at the time of his death. Mr. DeLeon was a member of the Hondo 14th St. Baptist Church.

Survivors include his wife, Teresa DeLeon of Yancey; sons, Manuel of Plainview; Trine of Ida, Louisiana; Julio of Fort Worth; and Juan DeLeon

of Hondo; daughters Miss Lola DeLeon of Fort Worth, Mrs. Lupe Amador, Mary DeLeon, and Dina DeLeon, all of Yancey; brother, Martin DeLeon of Yancey; and sister, Mrs. Domingo Gauna, also of Yancey.

Prayer service was held November 3 at Guinn-Horger Funeral Chapel in Hondo. Funeral services were held November 4 at the 14th St. Baptist Church in Hondo, Rev. Manuel Perales officiating. Interment was in Yancey Cemetery.

Pallbearers included Trine DeLeon, Juan DeLeon, Empidio DeLeon, Julio DeLeon, Ray Martinez, and Bryan Alvarez. Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

County Agent Gaye Bippert (left) and Fred Graff will participate in Menswear Bonanza in Uvalde, November 13.

Menswear Bonanza

A Menswear Bonanza of fashion will hit Uvalde when retailers and clothing specialists present a total-fashion program for men Nov. 13 from 7-9:30 p.m. at the Research and Extension Center on Garner Field Road.

Sponsored by local and area retailers in cooperation with the Texas Agricultural Extension Service, Texas A&M University System, the program will feature discussions and exhibits, according to Mrs. Gloria Schwarzlose of Uvalde, district Extension agent.

"In a program aimed at men, we will talk about coordinating color, pattern and design—as well as proper fit, quality and clothing care," she said.

"We'll also view today's fashions and western wear."

One program highlight will be an exhibit of old-fashioned menswear—a

national-touring collection of the Menswear Retailers of America in Washington, D.C.—that will arrive in Uvalde for the showing.

Fred Graff of Graff's in Hondo will outline clothing care in the segment on how to "Take care of your investment."

Bob Burks of Shepherd's in Uvalde will explain coordination of color, pattern and design in the "Getting It All Together" portion of the program.

Melvin Rowland of Rowland's in Uvalde will discuss "The Look of Success," when he shows the audience how to compare quality and determine proper fit.

Exhibits will include today's fashions in menswear, western wear, accessories and storage devices.

Immediately after the program at 9 p.m., exhibits will be open for viewing, Mrs. Schwarzlose added.

Fall Fix-up

Learn how to make simple repairs to your home today. The Medina County Family Living Committee of the Texas Agricultural Extension Service is presenting a free Home Repair and Maintenance Shortcourse today, Thursday, November 8 at the Educational Building of the First United Methodist Church in Hondo.

The morning program will begin at 9:30 with Hondo Lumber Company presenting Fastening Things to Walls. Wayne Scholtz assistant County Extension Agent will demonstrate how to make simple wall repairs. Bob Suggs, area representative for Bute Paint Company, Alamo Lumber Company, will present Interior and Exterior Painting.

The morning session ends at 11:30 and the afternoon session will be from 1-3.

Simple plumbing repairs will be presented at the afternoon session by Glenn Bragg, County Extension Agent.

Mrs. Thomas Boehme, Mrs. Felix Fuentes, Family Living Committee Members; and Felix Fuentes, representative from L. M. Tondre in Castroville will demonstrate replacing and repairing windows and screens. A workshop will be conducted for interested homemakers who want to practice their skills.

The Hondo Home Demonstration Club will provide free baby-sitting for pre-schoolers at the church.

Hondoans attend conservation meet

Mr. Frank Silvey, District Director of the Medina Valley SCD, with his wife and Everett L. Abbott, District Conservationist and his wife attended the 33rd annual meeting of District Directors held this year in Fort Worth, Texas, on October 30-November 1.

The theme of the meeting was, "Where do we go from here?"

There were many outstanding speakers, some of which were: George Bagley, Vice President of the National Association of Conservation Districts, from St. Joseph, La., Next was Honorable Bill Clayton, State Representative from Spring Lake, Texas.

There was Regan Brown, who is special assistant to Rural Development, appointed by the Governor, Dolph Briscoe. And also, the Honorable Jack Hightower, who is State Senator from Vernon, Texas. All of these people were outstanding speakers and brought a challenge to all attending.

more than he had requested. "However, there's no assurance the funds will be made available under present handling of congressional funds," reported Mr. Bagley.

Doyle Hutcheson of Weatherford, State President, urged every District Director to stand up and be counted. He predicted that the controversial land use planning legislation is on its way and that land owners must get in a voice to protect their interests.

Regan V. Brown, special assistant to Gov. Briscoe, urged the Directors to "tell what's good about America." Brown said one of the biggest problems was that too many people want to work eight hours and sleep eight hours - "but do both at the same time."

State Rep. Bill Clayton of Springlake warned that voices of people must be heard in halls of government if they expect constructive results. Don't be against everything, he said, "Be for something."

Brown's volunteers sought

Volunteers interested in aiding the patients of Brown's Nursing Center will hold a meeting Tuesday November 13 at 2 p.m.

Anyone who can give any amount of time in service to the elderly patients at Brown's is

urged to come to the meeting.

Chairman Judy Winkler reports that if a person cannot attend the meeting, he or she should call her at 426-3514.

Individuals or groups are invited to attend.

Norma Gutierrez

SAN ANTONIO—Airman Norma Gutierrez, daughter of Mr. and Mrs. Joe A. Gutierrez, 528 Fullerton Drive, Devine, has been assigned to Goodfellow AFB, Texas, after completing Air Force basic training.

During her six weeks at Lackland AFB she studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman is a 1973 graduate of Devine High School.

New phone

books coming

Residents in Hondo and Yancey will soon be getting a new Southwestern Bell telephone directory.

"Delivery is scheduled to begin on November 9 and will be completed in about two weeks," said Mrs. Jo Nell Tarvin, manager for Southwestern Bell.

Mrs. Tarvin said the cover will feature a photograph of a bluebonnet scene, typical of many parts of Texas.

An estimated 3,300 directories are scheduled for initial delivery.

This is the second directory issued this year and will replace an earlier edition that featured a blacksmith shop on its cover.

Mr. Bagley said some 60 field offices have been closed within the past few years, because impounded funds prevented further operations, and technical personnel was reduced by 17 percent. Mr. Bagley reported that if funds already appropriated are not released there'll be much further reduction in personnel and in needed conservation.

Bagley reported that President Nixon signed into law last week an appropriation of \$352 million for soil and water conservation, \$67 million

SAN ANTONIO—Gerald W. Naumann, son of Mr. and Mrs. Alvin E. Naumann, Castroville, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from the School of Military Sciences for Officers at Lackland AFB. Lieutenant Naumann, selected through competitive examination for attendance at the school, is being assigned to Mather AFB, Calif., for training as a navigator.

A 1969 graduate of Winston Churchill High School, the lieutenant received his B.A. degree in criminal law enforcement

in 1973 from Southwest Texas State University. His wife, Nancy, is the daughter of Mr. and Mrs. Walter O. Novelly, 918 Fabulous, San Antonio.

Lindeburgs host reunion of Class of '56

Mr. and Mrs. Elroy Lindeburg and Dianna were hosts to the Class of 1956, Hondo High School, in their home for their 1973 Homecoming reunion, on Saturday evening, Nov. 3rd. A light supper was served.

Reminiscing together were John and Wilma Kelley, Tracy and Glenn, of Glendale, Ariz.; Edward and Dorothy (Blinka) Brucks of Grand Prairie; Leo and Frances (Zerr) Dannimiller, San Antonio. Also Leonard and Georgia Saathoff, Annette and Leanne; Merlin and Mari-

lyn Mumme and Monette; Arlen and Sue Graff, Beverly and Neil; Elron and Marian (Beyer) Lindeburg and Dianna; Bob and Yvonne Nations, all of Hondo.

Mrs. Nations was our Senior Class sponsor. Leonard, Merlin, Arlen, John, Dorothy, Frances and Marion were '56 classmates.

A miniature blue and white Owl football burning candle and small helmets in blue and white graced the registration table laid with white cutwork inlaid crocheted cloth. Twenty four registered in an Owl

shaped book while two small owls stood watch.

The serving table was covered with a beige lace cloth centered with an arrangement of pink carnations, white baby's breath (the class colors) and green foliage in a white pedestal vase flanked with pink candles. A blue and white graduation with '56 inscribed was centered in the flowers.

Classmates provided a variety of sandwiches, bar cookies, chips, dips, cold cuts, mints, nuts, pink punch and coffee.

"The Owl" annual books, scrapbook, play

books, FHA book, Class Prophecy, diploma, class pictures of former reunions as well as pictures from the senior trip to New Mexico were topic for discussion. Hearing the class song, "Moments to Remember," brought memories, also.

Other features were a Hondo Owl cushion, a pom-pom, and an Owl cap,

all items pertaining to a typical Owl football game.

Letters and telephone calls from those not present were greatly received.

An enjoyable time was spent by all present. Everyone left hoping that in three years the whole class will be together for their 20th year out of Hondo High School.

Voters say 'no' to annual sessions, raises

Medina County voters can say they are in step with the rest of Texas if voting in Tuesday's Constitutional Amendment election is any indication.

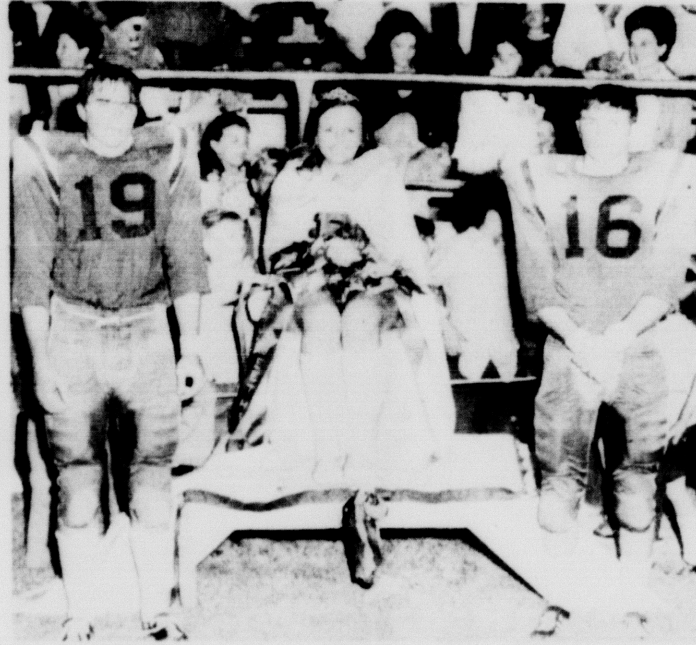

In the first place, they turned out in small numbers, approximately 790, and secondly, they

agreed with the rest of the state on how they felt about every proposed amendment.

They turned down another attempt to give legislators a pay raise and right down the line voted like other Texans.

The vote in Medina County, with 244 being cast in Hondo, went: No. 1, Legislative pay raise—183 for, 473 against; No. 2, Homestead protection for single adults, 551 for, 105 against; No. 3, Homestead exemption for single adults, 528 for, 131 against; No. 4, Rules to create conservation districts, 323 for, 289 against.

No. 5, Coastal counties sea wall bonds, 385 for, 250 against; No. 6, District Courts jurisdiction, 300 for, 322 against; No. 7, Veterans Land fund increase, 426 for, 219 against; No. 8, Broadening ad valorem tax, 213 for, 424 against; No. 9, Water storage tax exemption, 339 for, 305 against.

Cowboys take win over Medina, 54-0

The D'Hanis Cowboys established themselves as solid favorites for the District 14-B championship as they devastated the Medina Bobcats 54-0 Saturday night at D'Hanis.

It was the first of three district games to be played among the members of the three-team district. The third member, Rocksprings, was idle this week. They will take on the Bobcats tomorrow night as D'Hanis takes a rest.

Finale of the season will be the game between D'Hanis and Rocksprings, set for November 16 at Rocksprings.

Saturday night, D'Hanis scored in all quarters beginning with their receiving the opening kickoff.

The Cowboys drove 63 yards in twelve plays behind the running of quarterback Bobby Joe Rothe and running back Eric, Richard, and Ronny Rothe.

It was Richard who

powered in from eight yards out for the first touchdown. Eric's kick was good and D'Hanis led 7-0 with 6:30 left in the first quarter.

Taking a Medina punt at the Bobcat 39, the Cowboys scored their second touchdown in eight plays. This time it was Bobby Joe, keeping the ball for fifteen yards and the touchdown. Eric's point-after was good and, less than four minutes into the second quarter, D'Hanis led 14-0.

The third score came after another Medina punt. Taking over from their own 35-yard line, the Cowboys moved twelve yards on Doug Kempf's reception of Bobby Joe Rothe's pass. From there, they drove to the Medina 28.

At that point, Bobby Joe called his own number again, and broke four tackles en route to the third Cowboy touchdown. A fake-kick conversion pass netted two more points, and it was 22-0

with 3:45 to go in the half. Less than a minute remained with the Cowboys next got hold of the ball, on the Bobcat 45. Following a penalty and two incompletions, Ronny Rothe took a handoff on a reverse and skittered through all defenders for a 45-yard touchdown run. Following a fumbled snap on the conversion kick, D'Hanis held a 28-0 halftime lead.

The second half saw no relief for the besieged Bobcats.

Medina was forced to punt after taking the second half kickoff. The Cowboys took the ball on their own 38 yard line, and in two gulps they devoured the 62 yards to the goal line. Bobby Joe went 52 yards on the first play, stopped only as Rocky Hubble overtook him at the Medina 10-yard line. Eric Rothe took the handoff on the next play, and finished off the yardage. Again the PAT was faulty, and less than two minutes into the half it was 34-0.

Another Medina punt put D'Hanis on their own 45 yard line, and a holding penalty moved them to their 21, but again it was only two plays to a touchdown.

Eric Rothe, subbing at quarterback, fired a pass to Ronny Rothe, who scampered 62 yards down to Medina's seven-yard line. Another pass, this time to Doug Kempf, netted the final seven. Eric's kick was good and pushed the score to 41-0 with 7:18 in the quarter.

D'Hanis, short on personnel, substituted as best they could by shifting play assignments, but all the combinations worked equally well by late third quarter.

Medina captured a Cowboy fumble on their forty-yard line, but they went only to the D'Hanis 40 before losing it on downs as Joe Nester and Lee Roy Reyes sacked quarterback Ken Eoff for a

fourth down 9-yard loss.

On the following Medina possession, Kenny Lutz fell on a fumble at the Bobcat 35 to shut down another drive.

From there, D'Hanis scored once again, in five plays. Ronny Koch, usually a lineman, filled in at running back for runs of 3, 8, and 2 yards. That final two-yard run netted the score. With the point after, it was a runaway at 48-0 with 8:25 still remaining in the final period.

Medina's greatest scoring threat was foiled at the Cowboy 14-yard line as Daniel Rodriguez fell on a Bobcat fumble.

From that point, the Cowboys began their final and longest touchdown drive, 85 yards to the score. Leading runners were Eric Rothe with a 30-yard gain, Ronny Koch, and third QB Ronny Rothe who went the final 21 yards to score. The

scoring run capped off the evening, coming on a fourth and nine situation, 21 yards from the goal line, with only 40 seconds remaining in the game. The kick went awry, but D'Hanis had won more than handily, 54-0.

Eric Rothe tore Medina defense apart with strong running Saturday night. Aiding are Ronny Rothe [10], Ronny Koch [14, on ground after block], Jerry Lopez [40], and Lee Roy Reyes [71]. [Photo by Fr. Victor.]

B's, Frosh win again

Hondo junior varsity and Freshmen teams dominated the Fredericksburg teams Thursday evening at Barry Field. When the night was over, both Hondo teams had defeated their opponents, 14-6 for the Freshmen, and 18-0 for the B-team.

Clay Braden threw for a touchdown and ran for another in leading the Owl Freshmen to their third win of the 1973 season against three losses and one tie.

The B-team completely dominated their Fredericksburg opponents. They compiled 314 yards

of offense while holding the Billies to just 46 total yards.

In that game, Leslie Taylor ran for two touchdowns. Neither extra point try was good, but Augie Mendoza kicked two field goals, 28 and 20 yards to round out the scoring.

Tonight, the Frosh and B-team will be at Pearsall in their final game of the year.

Game time is 6 p.m. for the Freshman game, with the B-team game beginning shortly after the Freshman game ends.

Carrizo falls 52-12

The Hondo Owls played two games Friday night -- at least it seemed that way. They won the first half narrowly, 14-6 against the upset-minded Carrizo Springs Wildcats. But the second half was all Hondo as they added 38 points to just 6 more for the Wildcats, winning the game 52-12.

It took just 17 seconds for Hondo to get on the board. On the first play

from scrimmage, Tony Hackebell broke over right tackle and blasted through the secondary, 67 yards to a touchdown.

Brian Finger's kick made it 7-0 Hondo with 11:43 remaining in the quarter.

But the rest of the quarter was marked by a surprisingly stubborn Carrizo defense that kept the Owls in their own territory. For their part, Carrizo also spent the balance of the quarter on their own side of the midfield stripe.

Beginning the second quarter after a Carrizo punt, the Owls mounted a faltering drive which featured Pat Stein's heads-up recovery of a fumbled Owl punt at the Wildcat 15-yard line.

With the new life, it took four plays for Brian Finger to hit Gordie Bohmfalk in the end zone with a fourth down pass. Again, the kick was good and Hondo now led 14-0.

with 6:52 left in the half. Carrizo retaliated by capturing a Hondo fumble at the Owl 41 yard line. Wildcat quarterback Kerry Herzog hit three pass completions in a row as Carrizo went exclusively to the air lanes.

And, like Hondo they scored on a fourth down pass from three yards out. Herzog was hit and falling, but he popped a pass to Roy Smith for the touchdown with only 43 seconds left before the halftime bread.

The extra point try was no good, and it was 14-6 Hondo.

Hondo battled back in the remaining seconds as Finger hit Ray Garcia for 12 yards, then threw a pass that wobbled into the arms of Gene McAnelly. Gene was finally stopped 40 yards later, at the Wildcat 10-yard line.

But on the next play with Donald Rutledge came up to intercept a pass in the end zone. That play ended

the half.

The Owls scored three times in the third quarter to break the game open.

Ray Garcia took a pass from Finger to cap a seven-play drive of 70 yards. Garcia took the pass 31 yards to score.

Finger's PAT was true, and Hondo led 21-6 with 7:15 left in the quarter.

Following the kickoff, Herzog's pass was intercepted by Doug Helvey, and Hondo was in business again at the Carrizo 20.

This time it took only a single play as McAnelly raced in for the score with 6:45 left in the quarter. Finger's kick missed, and it was 27-6.

Following another Carrizo punt, Bobby Rios stepped in at quarterback to engineer the next Owl touchdown.

DID HE GET HIM? Not quite. Bobby Cox [26], received some help from Charlie Britsch [69] and took the ball in for the score. [Photo by Jimmy Overstreet.]

Hitting Richard Coronado for 24 yards and Tony Hackebell for 12 more on a screen pass, Rios led the Owls to within ten yards of the score. From there, it was Hackebell who broke over guard for ten yards to the one-half yard mark. Hack scored on his next play, and it was 33-6 Hondo with 1:42 left in that fateful third quarter.

The Wildcats found they could do nothing right. A halfback option pass by Robert Martinez was intercepted by Bohmfalk, who returned it to the Hondo 35 yard line.

Mike Groff then took a turn at quarterbacking,

Mavs are district favorite

What's green and white, gives up an average of 4.6 points per game (while averaging 18.3), and outweighs the Owls by 25.4 pounds per man?

Halloween was last

week, you say? Wrong. Trick or treat . . . here come Pearsall's Mavericks. Pearsall's statistics look unbelievable on paper, and in person those green jerseys look like the field

had been covered with Astroturf.

On defense, they have been downright intimidating. Led by 1972 All District end David Studdard (who earned that honor on both offense and defense) at 229 pounds, the rest of the defense squad includes David Waldrum, 267, and Eddie Carrasco, 186, at tackles; noseguard Tommy Vinton, 168; right end Chuck Carroll, 198; linebackers Biffie Morris, 165, Abel Trevino, 147, and Rudy Trevino, 175; cornerbacks Robert Nieto, 136 and Hank Carroll, 144; and safety Pat McGehee, 145.

On offense, the lineup includes many of the same faces. Chuck Carroll, 198, is center. He is flanked by guards Biffie Morris and Eddie Carrasco; at tackles are Chuck Johnson, 190, and David Waldrum. Ends include Studdard and Rudy Trevino.

The Maverick attack, which favors the ground route, features Pat McGehee at Quarterback. Running backs include Tibby Carroll, 148; Hank Carroll, 144; and Victor Vinton, 200.

Pearsall has had success in simply running down the throats of their opponents. Should that route get a little crowded, there is always Studdard to pass to. A nice choice, and Pearsall is justly known as a good ball-control team.

Basically, the offense is a short-slot formation. On defense, the Mavs operate from a basic 5-2 set, with a rover.

Pearsall has used its obvious talents to good advantage this season. Following an opening-night loss to Uvalde by 19-0, the Mavericks have lost only one additional game in eight season outings.

Unfortunately, that one loss hurt. Though picked by everyone who should know (including a coaches' poll and "Texas Football") to win the district hands-down, Pearsall was upset three weeks ago by Dilley. So, their determination is so much the stronger to down the Owls Friday night.

Can the Owls be ready for the Mavericks?

Coach Bohls reports that all players will be suited up and able to play. Donnie Weynand was out last week due to illness. "You need at least one week like we had against Carrizo," Bohls said. "We put it all together, and a lot of boys got some playing experience."

Friday night should provide some real playing experience, as both teams will be fighting for their lives at Barry Field.

Two golf tourneys slated in November

Two Saturdays will be ones of action at the Hondo Golf Course during the month of November.

Golfers are being invited to sign up for two Pro-Am Tournaments, the first of which will be held Saturday, November 10 and the second on Saturday, November 24.

On the 10th Virgil Krenmueller plans a handi-

but he had a short term. Robert Rodriguez carried for six yards, then Bobby Cox surprised everyone with his blinding speed on a 59-yard touchdown run. Finger missed his third extra point try, and it was 39-6 with less than two minutes gone in the final quarter.

Carrizo then hooked up for their second scoring drive of the game. In twelve plays, the Wildcats moved 65 yards to score against the Hondo reserves. Once again, it was Herzog's passing arm that brought the score with a ten-yard toss to Billy John.

Bobby Rios again took the reins for Hondo following the kickoff, and in three plays Hondo had scored again. Rios, stopped for no gain on first down, moved for eight yards on the second play. He then hit Paul Pope for a 59-yard touchdown pass. A fake-kick PAT try proved no good, and it was 45-6 with 3:11 remaining.

Mike Groff put the Owls back on the offensive again with an interception of Herzog's pass at the Carrizo 21 in the series following the Hondo kickoff. Along with Rodriguez and Cox, he drove the Owls to the three-yard line.

From there on third down, Groff was hit behind the line of scrimmage, but he managed to toss the ball to a waiting Paul Pope for six more points. Finger recaptured his kicking touch, and it was Hondo winning 52-12.

Several Owls turned in stellar performances on defense throughout the night. Ted Mendoza, Mark Westbrook, and Charlie Britsch all showed outstanding hustle along with Allan Muenink, Doug Helvey, Pat Stein, Gordon Bohmfalk, Eddie Pope, and Paul Pope. Gary Sturm led the specialty

cap tournament with the maximum handicap of 18 being allowed. "Make up your own foursome," Virgil said, "and come out for some fine golf competition."

A 1 p.m. shotgun start will blast off action with an entry deadline of 12 p.m. being set. Entry Fee is \$5 plus green fee and the tournament is limited to 72 players.

November 24
About the same details apply to the November 24 Pro Am, except there is no mention of a maximum 18 handicap.

The starting time will be the same, 1 p.m. with a shotgun and entry deadline will be 12 noon on the day of the tournament. Fee also will be \$5 plus green fee.

Golfers interested in either tournament may send handicap and fee to Virgil Krenmueller, Hondo Golf Course, Hondo, Texas 78861 or call 426-8825.

RICHARD CORONADO performed well for Owls as a running back. [Photo by Jimmy Overstreet.]

teams, with six tackles on kickoffs to his credit.

Statistics for the game were as follow (Hondo first):

First downs, 18-14; Rushing yardage 310-77; Passing yards 198-107; Passes 8-13-1, 11-32-3; Fumbles lost 1-1; Punts (ave.) 3 for 41, 6 for 35; Penalties 4 for 30, 1 for 5; Return yards, 86-182.

Tomorrow night, Pearsall's highly-rated Mavericks will try the Owls at 8 p.m. on Barry Field.

SPORT FACTS

By Ralph

In 1971 Owl footballer Terry Mechler caught 15 passes for 215 yards, he scored one touchdown and three two-point conversions.

Johnny Abrego proved to be a hard runner during the successful 1971 season. He ran for 679 yards, scored 10 touchdowns and one extra point for 61 points. He scored four of his TD's against Judson in bi-district.

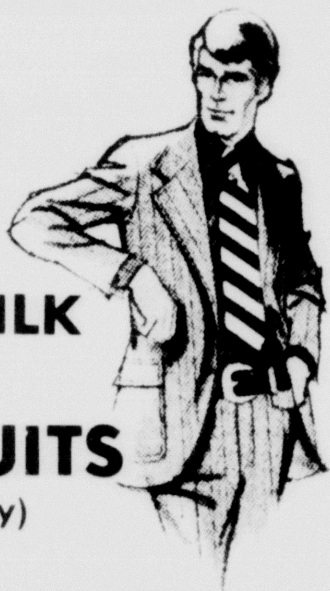

When Roosevelt Leaks of the Texas Longhorns rushed for 342 yards Saturday against SMU he set a new Southwest Conference rushing record for a single game. The old record was set in 1950 at 297 yards.

Nutrition 'game plan' for snacks

Provide nutritious snacks for this football season's "armchair quarterbacks."

These television-viewers and other family members can consume up to half of a day's food in the form of snacks, Mrs. Gaye Bippert, County Extension Agent, noted.

If they reach mainly for soda pop, potato chips and cookies in the home "concession stand," they'll get plenty of calories but not many vitamins, minerals or protein.

To simplify matters, set aside one shelf in the refrigerator and cabinet especially for snacks and quick meals. Let it be known that family members can come here first when hungry or thirsty.

Keep plenty of fruit juices, cold water and milk around. To keep milk costs down, use dry milk mixed with water. Add chocolate, vanilla or fruit flavors to make it "special."

Other favorite milk

foods offer food value as well as good taste—such as ice cream, puddings, cheese and yogurt.

Fresh fruits and vegetables also provide delightful—but nutritious—snacks.

For convenience, fix raw vegetables strips and slices about once a week -- and keep them in the refrigerator crisper. Include carrots, celery, turnips, green peppers, cucumbers, cauliflowerets, bananas, apples and oranges. They're simple-to-fix, easy-to-eat and high in food value.

If sandwiches make up part of the team's snack menu, keep bowls of egg and tuna salad handy in the refrigerator. Also keep peanut butter within easy reach.

Cheese and crackers—as well as cheese sandwiches—provide nutrition-packed snacks for nibblers.

So, keep nutrition in mind when stocking up with snacks, the agent advised.

Nov. 3 Wick Fowler Memorial World Championship Chili Cook-Off, Terlingua. Once again 5,000 or more chiliheads and off-beat fun seekers are expected to find their way to this ghost town on the edge of Big Bend National Park. The event, which has been described both as an "adult Woodstock" and "R rated," is in the "see it to believe it" category. For overnight accommodations reservations are recommended—80 miles or more away in Alpine or Marfa.

Nov. 24-25 International Art Festival, McAllen. On show and sale will be paintings, sculpture, crafts, antiques, jewelry, pottery, decoupage and papier-mache.

ATTENDING A SESSION . . . specially designed to educate Extension Agents in the best methods of using food stamps were [l-r] Alta M. Placke of San Antonio [Bexar County Ext. Agt.], Sally Springer, Extension

Foods and Nutrition specialist, and Mrs. Gaye Bippert, Medina County Extension Agent, of Hondo. Agents will now be better prepared to show food stamp recipients the best way to use the stamps.

Local agent attends food stamp training meet

Agricultural Extension Service, Texas A&M University System, detailed food buying principles and demonstrated preparation of nutritious, low-cost foods, Mrs. Bippert said.

Commenting on the Food Stamp program, the agent noted that prior to a year ago, some Texas counties did not have the Food Stamp program.

"Efforts to convert all remaining counties from a commodity food distribution program to the Food Stamp program were begun in Texas more than a year ago and will be completed during the last part of this year.

"The Food Stamp program now underway in Medina County includes plans for the educational phase to begin during November the agent said.

"The educational phase-

subject of the two-day meeting-is designed to help limited-income people utilize resources," Mrs. Bippert explained.

"Extension and the other agencies are cooperating in this program to avoid duplicating efforts between various government agencies at both state and national levels," the agent added.

Teaching local Food Stamp recipients "how to make the most of their stamps" was the subject of a two-day meeting in Uvalde last week attended by Mrs. Gaye Bippert, Medina County Extension Agent.

More than 12 county Extension agents from throughout the area heard federal and state government agency representa-

tives discuss food buying and nutrition, according to Mrs. Bippert.

"Representatives from the U. S. Department of Agriculture's Food and Nutrition Service explained how food stamp recipients can buy the nutritious foods necessary for a balanced diet without having to supplement their food stamp allotments.

"They also discussed the retailer role in the food stamp program," the agent said.

"A Texas Department of Public Welfare representative told agents how the food stamp program is administered in Texas and outlined its operation as well as the requirements for obtaining food stamps," she added.
